More Great Sites for you to explore!

www.unitedpetfund.org Non-profit started by Dr. Z that helps get \$5 million+ worth of valuable resources to regional and Midwestern animal shelter, rescues, and advocacy groups.

United Pet Fund – founded via Dr. Z in 2010 – helps hundreds of shelters/rescues across the Midwest get resources to help keep their organization going. In 2021 alone, over **\$5.3 million in resources** sent out from their warehouse in Blue Ash. Check them out and consider donating to the cause. Learn more about what they do by checking out these videos at:

<https://vimeo.com/stgregory/review/345946838/d9667ddba2>

https://www.dropbox.com/s/jqud8ko8eemximj/United%20Pet%20Fund_Overview:Truck_FINAL.mp4?dl=0

Mission statement:

“ Empowering all those who help animals in need! ”

www.felinediabetes.com and www.caninediabetes.org Two sites to discuss the diabetic cat and dog

www.canine-epilepsy.net Good overall site from University of Missouri discussing canine epilepsy

www.felinecrf.com Discussion of chronic renal failure in cats as well as under Chronic Renal Failure search under www.veterinarypartner.com

<http://www.asPCA.org/pet-care/poison-control/> ASPCA Poison Control (they do charge), but this is well worth it in a crisis where there is poisoning involved. Download and print the information and bring it with you to TSAC or emergency clinic.

<http://www.petloss.com/> and <http://www.aplb.org/> Pet Loss and Bereavement sites

<http://www.rabiesaware.org> Great site to look up rabies requirements for each of the states in the U.S.

www.townesquareanimalclinic.com **(can't forget about this site) Look under "Helpful Articles" for information on Arthritis, Fleas, Raising Puppies and Kittens, Emergency First Aid and Preventing Litter Box Problems**

Learn how to 'READ' your family dog and other dogs in general as to what 'mood' they are in by going to TheFamilyDog website on DOG SAFETY AT: <https://www.thefamilydog.com/stop-the-77/> . This is an important website for those families with children. Great videos on there to show your children on how to determine whether a dog would be safe to approach, and those that would rather they stay away.

Keep in touch with us & on the lighter side

Communicate with us by texting us at our main office number **513-793-1875** to send us appointment requests, medicines and preventatives refills requests, and pictures of lesions of what concerns you about your pet. Videos are best sent to our email address at townesquarestaff@hotmail.com. It can really help us in making a diagnosis if we see pictures or videos of what you are seeing at home. We all want to work together to keep your family companion(s) healthy! Be sure to sign up for our new PetDesk app for TSAC!

If that text message is sent after office hours, it will not be returned till the following business day am hours.

1. Shopping on-line for an Rx refill that we can fill with our on-line pharmacy. That is especially nice for Rx diets and Compounded medications. Go to our website at TOWNESQUAREANIMALCLINIC.COM click on the [ONLINE PHARMACY](#) button at the top banner, or in this email.
2. You can also make appointments by going again to website at TOWNESQUAREANIMALCLINIC.COM and clicking on the [APPOINTMENT](#) button on the front page, or in this email.
3. On a lighter note, if you would like to share how you and your pet are 'cocooning' at home, you can send any images to [instagram.com/townesquareanimalclinic.com](https://www.instagram.com/townesquareanimalclinic.com) or [#townesquareanimalclinic](https://www.instagram.com/townesquareanimalclinic).
